

(L-R) **BACK ROW** L. Johson, J. Hastings, J. Skiki, A. Blishak **FRONT ROW** D. Prestel Sec., K. Spikowski Pres., J. Stahl V.P., J. Steiriwecler Treas.

The Case Amateur Radio Club provides facilities for students interested in the field of amateur radio. Licensed under the call of W8EDU, the club meets on the fourth floor of Old Main in the atmosphere of two separate stations, code practice equipment, and an extensive library of amateur publications dating back to 1925. Activities for the year include participation in national and international competition, some requiring round the clock operation of the station.
